

PHILANTHROPIC ACTIVITIES

ROTARY CLUB 29 FOUNDATION AND THE ROTARY FOUNDATION

The members of Club 29 support two non-profit foundations. The Rotary Club 29 Foundation is organized and operated by the members of Club 29, and supports the activities of Club 29. The Rotary Foundation is an affiliate of Rotary International and supports the activities of Rotary International. A significant part of funds donated to The Rotary Foundation are returned to the Rotary district from which they are donated. Due to Club 29's support of The Rotary Foundation through Paul Harris Fellowships and Every Rotarian Every Year, Club 29's District 5750 receives substantial funds every year to be used for district-supported projects, including certain projects sponsored by individual clubs such as Club 29.

ROTARY CLUB 29 FOUNDATION

The mission of the Rotary Club 29 Foundation is: "To Support the Philanthropic Activities of the Rotary Club of Oklahoma City." The Foundation is independent from the club, but it does not solicit or accept funding requests other than from the club. Funding decisions are ultimately made by the Foundation board. The board of directors of the Foundation is comprised of fifteen total directors, including six directors from club leadership and nine at-large directors who do not serve on the club board. Three of the at-large directors are elected by members of the club. Twelve of the directors serve three-year staggered terms.

The Club 29 Foundation generally supports four types of projects. First, the Foundation accepts and distributes donations from club members designated for specific purposes, such as the annual club Project, weekly pocket change donations for specified purposes, Paul Harris Fellowship donations, and donations to The Rotary Foundation through Every Rotarian Every Year. Second, the Foundation accepts grant requests made by the club for both international and domestic service projects, including projects in the Oklahoma City area. Third, the Foundation maintains a disaster relief fund, which is used to provide matching grants for disaster relief that are supported by club members. Finally, the Foundation works with individual donors of restricted funds to assist them meet their long-term objectives.

The Foundation is non-profit and gifts to the Foundation are tax deductible. The Foundation accepts cash and, subject to board approval, stocks, bonds, life insurance, real estate and other personal property. The Foundation board will work closely with any donor who wishes to place restrictions on any gift to that are consistent with the purposes of the Foundation and the desires of the donor. Gifts may be made in recognition or in memory of loved ones or special friends. For additional information regarding

PHILANTHROPIC ACTIVITIES

any gift to the Foundation, call the Club 29 office at 235-5100.

Foundation assets are managed by professional investment managers, subject to oversight by the Foundation's investment committee and board of directors. Unrestricted assets that are not necessary for short-term purposes are invested in a balanced account of equities and debt instruments and are subject to distribution only in accordance with the Foundation's Spending Policy. The Spending Policy is designed to provide an appropriate level of support for current club projects, while protecting assets from inflation and providing a long-term source of support for the Club's philanthropic activities.

The Foundation is the beneficiary of a Designated Fund held by the Oklahoma City Community Foundation. The OKCCF distributes a portion of these funds annually, while permanently maintaining the corpus to support the long-term needs of the Club 29 Foundation. Donors who prefer this method of giving are encouraged to support the Club 29 Foundation through gifts to this Designated Fund.

In 2005, the foundation became the beneficiary of a trust created under the will of former Club 29 member Alfred C. Leonhardt, resulting in the largest single gift to the foundation.

DONOR RECOGNITION

Club 29 members are encouraged to support both the Club 29 Foundation and The Rotary Foundation. The Rotary Foundation recognizes a donor of \$1,000 or more as a Paul Harris Fellow and those who make a deferred gift in that amount as a Benefactor. Similarly, the Club 29 Foundation recognizes significant gifts by naming as a Community Fellow any individual who donates \$1000, and by naming as a Community Benefactor any individual who makes a deferred gift of \$1,000 or more, by will, trust, insurance policy or other methods of deferred giving. For additional information contact the Rotary office at 235-5100.

CLUB 29 SUPPORT OF THE ROTARY FOUNDATION

As of June 30, 2007, of all Rotary clubs in the world, Club 29 had the third highest number of members and friends who have been named Paul Harris Fellows, and several Club 29 members are also Benefactors of The Rotary Foundation. Paul Harris Fellows and Benefactors affiliated with Club 29, and programs of The Rotary Foundation, are on listed on subsequent pages. Club 29's most ambitious project for The Rotary Foundation was our 5 year Polio Plus pledge of \$150,000 completed in 1992.

In 2005, Club 29 adopted Every Rotarian Every Year, a program through which every member of Club 29 contributes \$100 annually to The Rotary Foundation. These contributions qualify Club 29 members as

PHILANTHROPIC ACTIVITIES

Sustaining Paul Harris Fellows, and a member's cumulative contributions to The Rotary Foundation are used to qualify the member for recognition as a Paul Harris Fellow. Through this program alone, Club 29 has provided \$173,125.00 cumulative since 2005 annually to The Rotary Foundation.

Most donations to The Rotary Foundation by Club 29 members are made through the Club 29 Foundation. Cumulative donations from Club 29 members to The Rotary Foundation, including contributions by Paul Harris Fellows total \$620,132.81.

SALVATION ARMY BELL RINGING

Club 29 participates annually in the Salvation Army Kettle Drive at Christmas time. From 1973 though 2007 Club 29 has been responsible for raising \$242,600.27.

MURRAH BOMBING RELIEF

In May of 1995, the Rotary Club 29 Foundation created a Disaster Relief fund to benefit the victims of the Alfred P. Murrah Federal Building bombing. By June 30, 2002, the fund had grown to nearly \$545,000.00, with donations received from as far away as Japan, Canada, Israel, Denmark and Australia. Over \$500,000.00 was disbursed to victims of the Murrah Building bombing and their families. In October, 2001, the Foundation provided \$120,000.00 including the \$85,660.09 balance of the Murrah Building Bombing Fund, to benefit survivors of the 9-11-01 Pentagon and World Trade Center terrorist action.

PHILANTHROPIC ACTIVITIES

THE ROTARY FOUNDATION OF ROTARY INTERNATIONAL

The mission of The Rotary Foundation is to support the efforts of Rotary International in the fulfillment of the Object of Rotary, Rotary's mission, and the achievement of world understanding and peace through local, national, and international humanitarian, educational, and cultural programs.

PROGRAMS OF THE ROTARY FOUNDATION

POLIOPLUS. Rotarians have mobilized by the hundreds of thousands to ensure that children are immunized against this crippling disease and that surveillance is strong, despite the poor infrastructure, extreme poverty, and civil strife of many countries. Since the PolioPlus program's inception in 1985, more than two billion children have received oral polio vaccine. To date, 210 countries, territories, and areas around the world are polio-free. As of June 2008, Rotary has committed more than \$757 million to global polio eradication. **2007-08 expenditures: \$126.7 million. (Including PolioPlus Partners Grants)**

POLIOPLUS PARTNERS is a program that allows Rotarians to participate in the polio eradication effort by contributing to specific social mobilization and surveillance activities in polio-endemic countries. **In 2007-08, 7,794 clubs in 509 districts have participated in 4493 projects, supporting Natl. Immunization Days and other polio eradication activities around the world.**

HEALTH, HUNGER AND HUMANITY (3-H) GRANTS fund large-scale, two- to four-year projects that enhance health, help alleviate hunger, or improve human development. Since 1978, 324 projects in 77 countries have been funded at a cost of \$79 million. **In 2007-08, 19 new projects were approved. Program awards were \$5.3 million.**

MATCHING GRANTS provide matching funds for international service projects of Rotary clubs and districts. Since 1965, 29,000 Matching Grant projects in 199 countries have been funded at a cost of more than \$335 million. **In 2007-08, 2,424 new grants approved for projects in 137 countries. Program awards were \$43.8 million.**

DISTRICT SIMPLIFIED GRANTS support the short-term service activities or humanitarian endeavors of districts in communities locally or internationally. This program began in 2003-04 and over 1,900 grants have been awarded in 478 districts in 65 countries totaling more than \$28 million. **In 2007-08 389 grants were approved totaling \$6.4 million.**

VOLUNTEER SERVICE GRANTS support the international travel of qualified Rotarians and their spouses to provide a needed service to a community or to plan the implementation of a needed project. This program began in 2006-07, and 429 grants have been awarded at a cost of over \$2 Million. **In 2007-08**

PHILANTHROPIC ACTIVITIES

227 grants were awarded to support travel in 58 countries. Program awards were \$1.1 million.

ROTARY WORLD PEACE SCHOLARS. Each year up to 60 scholars are sponsored to study at one of the six Rotary Centers for International Studies in peace and conflict resolution for a master's-level degree. Since the program's inception in 2002-03, 339 fellows from 75 different countries have participated at a cost of almost \$23 million. **In 2007-08, 56 new fellows from 33 countries began studies at the six Rotary Centers totaling \$4.6 million for the two-year program.**

AMBASSADORIAL SCHOLARSHIPS. The Foundation sponsors one of the largest international scholarship programs in the world. Scholars study in a country other than their own where they serve as unofficial "ambassadors of goodwill." Since 1947, more than 39,000 scholars from over 115 countries have received scholarships at a cost of more than \$504 million. **In 2007-08, 673 scholars from 72 countries studied in 73 countries. Program awards were \$14.1 million.**

ROTARY GRANTS FOR UNIVERSITY TEACHERS are awarded to faculty members to teach in a developing nation for three to ten months. Since 1985, 486 university teachers have shared their expertise with a college or university in a developing country at a cost of \$4.8 million. **In 2007-08, 26 university teachers from 5 countries taught in 17 countries. Program awards were \$0.3 million.**

GROUP STUDY EXCHANGE (GSE). These annual awards are made to paired Rotary districts to provide travel expenses for a team of non-Rotarians from a variety of vocations. Rotarian hosts organize a four- to six-week itinerary of educational and cultural points of interest. Since 1965, about 65,000 individuals (13,541 teams) from 106 countries have participated at a cost of more than \$100 million. **In 2007-08, 565 teams traveled abroad. Program awards were \$4.4 million.**

ROTARY CLUB 29 FOUNDATION SPENDING POLICY MARCH 8, 2007

The Rotary Club 29 Foundation (the "Foundation"), an Oklahoma not-for-profit corporation, in accordance with its Certificate of Incorporation and Bylaws, has adopted the following policy statement (the "Spending Policy") for the purpose of describing how the assets of the Foundation are to be used in support of the mission of the Foundation. The mission of the Foundation is: To support the philanthropic projects of the Rotary Club of Oklahoma City (the "Club").

GOALS

The goals of this Spending Policy are as follows:

- 1) To enable the withdrawal of cash for the purpose of meeting the purposes and intents of the Foundation.
- 2) To protect the value of the Foundation's assets against inflation and to provide continuing growth in the level of support available for the charitable activities Rotary Club of Oklahoma City.
- 3) To leverage distributions of Foundation funds by maximizing the use of matching funds available from the Rotary Foundation, Rotary District 5750, and other potential sources.
- 4) To conform with the objectives of the donor with respect to restricted funds held by the Foundation.

GENERAL LIMITATIONS

All distributions of funds of the Foundation will be subject to the ultimate control of the Board of Directors of the Foundation. No distribution of Foundation funds shall be authorized except as approved by the Board of Directors of the Foundation. While the Foundation will fully consider any request for distributions made by the Club in accordance with this Spending Policy, the final decision regarding all such distributions shall be made by the Foundation. No distribution shall be made if the effect of such distribution would adversely affect the tax status of the Foundation.

RESTRICTED FUNDS

The Foundation may accept donations subject to restrictions imposed by the donor, but no donation shall be subject to donor-imposed restrictions other than as specifically approved by this Spending Policy or by the Board of Directors. Except as provided in this Spending Policy, no donations subject to donor-imposed restrictions shall be accepted until the Board of Directors has determined that such restrictions are consistent with the purpose, mission statement, and goals of the Foundation.

PHILANTHROPIC ACTIVITIES

The Foundation may, without further action by the Board, accept donations made by the Club or by members of the Club subject to restrictions consistent with fund-raising efforts of the Club intended to benefit specific programs approved by the Board of Directors of the club, including, by way of example but without limitation, the annual Club project, disaster relief projects, weekly pocket-change collections designated for specific purposes, and payments made to the Foundation to be held for subsequent distribution to the Rotary Foundation.

Funds received by the Foundation subject to donor restrictions approved by the Foundation shall be Restricted Funds, and shall be disbursed in accordance with the restrictions imposed on such funds by the donor and accepted by the Foundation. Restricted Funds shall be invested as Short-Term Funds, unless the donor and the Foundation agree that such funds shall be invested as Long-Term Funds.

BOARD DESIGNATED FUNDS

All funds held by the Foundation shall be designated by the Board as Short-Term Funds or Long-Term Funds. All Short-Term Funds and all Long-Term Funds shall be invested as such in accordance with the Foundation's Investment Policy, and subject to distribution in accordance with such designations in accordance with this Spending Policy.

Unrestricted funds held by the Foundation may also be designated by the Board for use purposes. Unless otherwise designated by the Board, unrestricted Short-Term Funds shall be held for the general purposes of the Foundation, and may be disbursed from time to time subject to approval by the board. All Long-Term Funds which are not Restricted Funds shall be held for the purpose of providing a perpetual source of support for Foundation purposes, and shall be disbursed solely in accordance with this Spending Policy.

In each fiscal year, at its first meeting the Board shall adopt a budget for the coming year. The budget will designate as Short-Term Funds a portion of the Short-Term Funds held by the Foundation as of the end of the prior fiscal year equal to the projected administrative expenses for the coming year and an appropriate cash reserve for payment of unexpected operating expenses, but not for grant purposes. Throughout each fiscal year, all unrestricted funds received shall be added to Short-Term Funds. All Restricted Funds intended for distribution within the current fiscal year and the immediate following fiscal year, or otherwise so designated by the donor, shall be designated as Short-Term Funds.

All Foundation assets held at the beginning of

PHILANTHROPIC ACTIVITIES

each fiscal year not designated as Short-Term Funds shall be designated Long-Term Funds. Amounts designated as Long-Term Funds shall remain Long-Term Funds, may not be re-designated as Short Term Funds, and may not be used for any purpose other than distributions in accordance with this Spending Policy.

ANNUAL ALLOCATIONS

For the purpose of meeting the goals stated above each year the Foundation will allocate funds to be available for distribution in support of the charitable activities of the Club based on a percentage of the rolling average market value of the Foundation's Long-Term Resources (as defined below) for the previous 3 year period. "Average market value" shall be defined as the average of the market value of the Long-Term Resources for the previous twelve fiscal year quarter ends. Until such time as the Long-Term Resources have been subject to this Spending Policy for twelve full fiscal quarters, the average market value calculation shall be based on the average of the quarter end values for each fiscal quarter beginning on June 30, 2006. The funds available for distribution shall be determined annually, using the final quarter of the most recent Foundation fiscal year as the most recent quarter in the calculation.

For purposes of this Spending Policy, Long-Term Resources shall include the sum of (i) all Long-Term Funds held by the Foundation, (ii) all amounts held by Oklahoma City Community Foundation, Inc. in the endowment fund for the benefit of the Rotary Club 29 Foundation, (iii) all funds held in trust for the benefit of the Rotary Club 29 Foundation pursuant to the will of Alfred C. Leonhardt, (iv) all other amounts received by the Foundation under donor restrictions identifying such amounts as Long-Term Resources of the Foundation and accepted by the Foundation in accordance with restrictions approved by the Board of Directors of the Foundation, and (v) all other amounts so designated from time to time by the Board of Directors of the Foundation.

Such funds shall be allocated as follows:

An amount (the "Annual Available Distribution") equal to four percent (4%) of the average market value of the Foundation's Long-Term Resources shall be available for distribution in support of the general charitable activities of the Club.

An amount (the "Annual Disaster Fund Allocation") equal to one percent (1%) of the average market value of the Foundation's Long-Term Resources shall be allocated to the Foundation's Disaster Fund.

PHILANTHROPIC ACTIVITIES

GENERAL DISTRIBUTIONS

The Annual Available Distribution will be available for distribution in support of the charitable activities of the Club. Requests for distributions may be made by the Club Board of Directors at any time, and shall include a description of the project, a statement of whether there are Rotary Foundation or District matching funds available and the status of any request for such funds, and such other information regarding the proposed use of funds as the Foundation Board of Directors may require. Requests for distribution shall be subject to approval by the Foundation Board.

It is anticipated that the focus of Club's charitable activities will vary from year to year, as circumstances and opportunities change, and that over time, the Club will support a variety of local, international, and disaster relief projects. To support those anticipated uses, the

Foundation will seek to apply Annual Available Distributions in accordance with the following allocation objectives:

- 50% to be applied to projects in the Oklahoma City metropolitan area or other projects within the United States
- 50% to be applied to international projects

These allocation objectives are guidelines, not requirements. However, the Foundation will seek to meet these objectives, if not annually, then over time, and will encourage the Club to assist in meeting these objectives.

The Club may request that any portion of the Annual Available Distribution remaining unused in any fiscal year be carried forward to the following fiscal year. Such requests shall be subject to Foundation Board approval, and if so approved, such excess funds shall be made available in such following fiscal year. In the absence of such a request and approval, such undistributed funds shall not be available in subsequent years and shall be designated Long-Term Funds as of the first day of the fiscal year following the fiscal year in which such amounts were originally made available.

DISASTER RELIEF ALLOCATIONS

Addressing the need for assistance in disaster relief is particularly emotional and difficult for Rotarians. The Foundation's spending policies are designed to provide a source of funding to meet such needs, but also to assure the long-term availability of resources to meet future demands. It is also the Foundation's objective to assure that any use of Foundation assets

PHILANTHROPIC ACTIVITIES

for disaster relief purposes is consistent with the desires of the members of Club 29.

The Foundation has established the Club 29 Disaster Relief Fund, the use of which is restricted to world-wide disaster relief. The Foundation will annually allocate 1% of the average market value of the Foundation's Long-Term Resources to such fund.

Requests for support of disaster relief projects may be made by the Club Board of Directors at any time, shall include a description of the project, a statement of whether there are Rotary Foundation or District matching funds available and the status of any request for such funds and such other information regarding the proposed use of funds as the Foundation Board of Directors may require, and shall be subject to approval by the Foundation Board. The amount available from the Club 29 Disaster Relief Fund for any specific project will be determined based on the donations of the members of Club 29 to such project. As a guideline, for any specific disaster, the Foundation will seek to match dollar-for-dollar the amounts contributed by Club 29 members, up to the amount of the Annual Disaster Fund Allocation allocated to the Disaster Relief Fund as of the beginning of the current fiscal year. However, following review of any request from the Club, the Foundation may grant additional funds or may restrict its donation as necessary to preserve sufficient funds to meet future needs. In no event will the Foundation distribute funds for disaster relief in any fiscal year in excess of the amount of the Disaster Relief Fund (including the Annual Disaster Fund Allocation allocated to the fund for such year) as of the beginning of such fiscal year.

AMENDMENTS AND SPECIAL DISTRIBUTIONS

Any proposal that would have the effect of a distribution of Foundation funds in amounts in excess of those permitted under this Spending Policy, whether by amendment, modification, or termination of this Spending Policy, by amendment or repeal of the Bylaws or Certificate of Incorporation of the Foundation, by special distribution, or by any other means, shall require approval by the Board of Directors and members of the Foundation, after notification to the members of the Club, as follows:

a) Any proposal to amend, modify, or terminate this Spending Policy, or to make a distribution not otherwise permitted (a "Proposed Change") shall be in writing, and signed by the current or any past Club President and by two other persons who have been members of the Club for a minimum of three years. The Proposed Change shall be submitted to the Chairman of the Foundation and the current President of the Club.

PHILANTHROPIC ACTIVITIES

b) Notice of the Proposed Change, stating the time and place of the meeting of the Foundation board and of the meeting of the Foundation members at which the Proposed Change will be considered, and including an invitation to attend and participate in both such meetings shall be given by the President of the Club to the members of the Club not less than fourteen (14) days prior to each such meeting. Members of the Club may participate in any discussion of a Proposed Change.

c) A meeting of the Foundation Board shall be held within forty-five (45) days following delivery of the proposal to the Chairman of the Foundation. Notice that a vote on the Proposed Change shall be held at such meeting shall be given by the Chairman of the Foundation not less than fourteen (14) days prior to such meeting. Any Proposed Change shall require the affirmative vote of not less than two-thirds (2/3) of all members of the Foundation Board attending such meeting.

d) A meeting of the members of the Foundation shall be held within forty-five (45) days following delivery of the proposal to the President of the Club. Notice that a vote on the Proposed Change shall be held at such meeting shall be given by the President of the Club not less than fourteen (14) days prior to such meeting. Any Proposed Change shall require the affirmative vote of not less than two-thirds (2/3) of all members of the Foundation attending such meeting.

In no event shall this Spending Policy be amended, modified, or terminated, and no special distribution shall be made, if the effect of any such action would adversely affect the tax status of the Foundation. The Foundation Board of Directors may, at its option, require an opinion of tax counsel as a condition to the adoption of any such amendment, modification, or termination or the disbursement of such special distribution.

This Spending Policy was reviewed and unanimously approved by the Directors of the Foundation by consent as of March 8, 2007.

James W. Sharrock
Foundation Board Chair

This Spending Policy was reviewed and unanimously approved by the members of the Foundation (the Directors of the Club) present at a meeting of the members of the Foundation on March 15, 2007.

The Foundation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee

PHILANTHROPIC ACTIVITIES

or agent of the Foundation or is or was serving at the request of the Foundation as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture or other enterprise against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the Foundation and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interest of the Foundation and with respect to any criminal action or proceeding had reasonable cause to believe that his or her conduct was unlawful.

7.2 Actions by or in the Right of the Foundation.

The Foundation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Foundation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the Foundation or is or was serving at the request of the Foundation as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorney's fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the Foundation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Foundation unless and only to the extent that the court in which such action or suit was brought shall determine, upon application, that despite the adjudication of liability, but in the view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

7.3 Advancement of Expenses. Expenses incurred in defending a civil or criminal action, suit or proceeding, in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Foundation.

PHILANTHROPIC ACTIVITIES

7.4 Insurance. The Foundation may purchase (upon resolution duly adopted by the Board of Directors) and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Foundation, or is or was serving at the request of the Foundation as a director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred in any such capacity, or arising out of his or her status as such, whether or not the Foundation would have the power to indemnify such person against such liability.

7.5 Indemnification Required. To the extent that a director, officer, employee or agent of the Foundation has been successful on the merits or otherwise in defense of any action, suit, or proceeding resulting from or related to such person's position with or service to the Foundation or in defense of any claim, issue or matter related thereto, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred in connection therewith. Nothing contained in this section 7.5 shall be deemed to limit the indemnification provided under Sections 7.1 and 7.2, and indemnification under this Section 7.5 shall expand the indemnification provided under Sections 7.1 and 7.2 to the extent permitted by law.

7.6 Entitlement. Every such person shall be entitled, without demand upon the Foundation or any action by the Foundation, to enforce his or her right to such indemnity in an action at law against the Foundation. The right of indemnification and advancement of expenses provided in this Article shall not be deemed exclusive of any rights to which any such person may now or later be otherwise entitled and specifically, without limiting the generality of the foregoing, shall not be deemed exclusive of any rights pursuant to statute or otherwise, of any such person in any action, suit or proceeding to have assessed or allowed in his or her favor against the Foundation or otherwise, costs and expenses incurred or in connection therewith or any part thereof.

ARTICLE VIII **INTERESTED PARTIES**

8.1 Definitions.

(a) Interested Person. Any director or officer who has a material direct or indirect financial interest, as defined in this Article, is an interested person.

(b) Financial Interest. A person has a financial interest if the person has, directly or indirectly, through business, investment or family: (i) a material ownership or investment interest in any entity with which the Foundation has a transaction or arrangement; or (ii) a material compensation

PHILANTHROPIC ACTIVITIES

arrangement with the Foundation or with any entity or individual with which the Foundation has a transaction or arrangement. A person shall not be deemed to have a “financial interest” due to an employment arrangement with, or serving as a director or officer of, another non-profit corporation that is exempt from federal income taxation under Section 501(c)(3) of the Code.

8.2 Disclosure. An Interested Person shall disclose to the directors the existence and nature of his or her financial interest in any proposed transaction or arrangement involving the Foundation.

8.3 Procedures for Addressing Conflicts of Interest. The Chair or the chair of a committee considering a transaction or arrangement involving an Interested Person shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement. The Board or committee shall determine whether the Foundation may, without undue burden, delay or expense, obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine, by a majority vote of the disinterested directors, whether the transaction or arrangement is in the best interest of the Foundation and whether the transaction is fair to the Foundation.

8.4 Violations. If the Board or committee has reasonable cause to believe that an Interested Person has failed to disclose a conflict of interest as required in this Article, the Board or committee shall inform the Interested Person of the basis for such belief and afford the Interested Person an opportunity to explain the alleged failure to disclose. If, after hearing the response of the Interested Person and making such further investigation as may be warranted in the circumstances, the Board or committee determines that the Interested Person has in fact failed to disclose a conflict of interest as required in this Article, the Board or committee shall take appropriate disciplinary and corrective action.

8.5 Record of Proceedings. The minutes of the Board or committee shall contain: (a) the names of the persons who disclosed or otherwise were found to have a financial interest in connection with a conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the decision as to whether a conflict of interest in fact existed, and (b) the names of the persons who were present for discussions and votes relating to the transaction or arrangement, and a record of any votes taken.

PHILANTHROPIC ACTIVITIES

8.6 Compensation. A director or committee member who receives compensation, directly or indirectly, from the Foundation shall not vote on matters pertaining to his or her compensation.

8.7 Validation of Contracts. No contract or transaction between the Foundation and one or more of its directors, officers or members, or other organization in which one or more of its directors, officers or members are directors, officers or members or have a financial interest shall be void or voidable solely for this reason or solely because the director, officer or member is present at or participates in the meeting of the Board which authorizes the contract or transaction or solely because his or her vote is counted for such purposes if:

(a) The material facts as to the director's interest and as to the contract or transaction are disclosed or are known to the Board of Directors and the Board in good faith authorizes the contract or transaction by a vote sufficient for such purpose without counting the vote of the interested director(s); or

(b) The contract or transaction is fair as to the Foundation as of the time it is authorized, approved or ratified by the Board of Directors.

8.8 Quorum. Interested directors shall not be counted in determining the presence of a quorum at a meeting at which the Board of Directors authorizes the contract or transaction.

ARTICLE IX **SPENDING POLICY**

9.1 Adoption of Policy. The Board of Directors shall adopt, maintain, and at all times operate the business and affairs of the Foundation in accordance with, a spending policy (the "Spending Policy") regarding the use of funds of the Foundation that shall provide for the availability of funds to support the philanthropic activities of the Club in reasonable amounts and for the protection and growth of Foundation assets for the long-term support of such purpose. The adoption of the initial Spending Policy shall require the approval of not less than two-thirds (2/3) of the members of the Board of Directors of the Foundation present at a regular meeting of the Board of Directors of the Foundation and approval of not less than two-thirds (2/3) of the members of the Foundation present at a meeting of the members of the Foundation, to be held in conjunction with a regular meeting of the Board of Directors of the Club.

9.2 Amendments and Special Distributions. The adoption of any proposal that would have the effect of a distribution of Foundation funds in amounts in

PHILANTHROPIC ACTIVITIES

excess of those permitted under the Spending Policy, whether by amendment, modification, or termination of the Spending Policy or the bylaws of the Foundation, by amendment of the Certificate of Incorporation of the Foundation, by special distribution, or by any other means, shall require approval by the Board of Directors of the Foundation and the members of the Foundation, after notification to the membership of the Club, as follows:

(a) Any proposal to amend, modify, or terminate this Spending Policy, or to make a distribution not otherwise permitted under the Spending Policy (a "Proposed Change") shall be in writing, and signed by the current or any past President of the Club and by two other persons who have been members of the Club for a minimum of three years. The Proposed Change shall be submitted to the Chairman of the Foundation and the President of the Club.

(b) Notice of the Proposed Change, stating the time and place of the meeting of the Board of Directors of the Foundation at which the Proposed Change will be considered and of the meeting of the Board of Directors of the Club at which the Proposed Change will be considered, and including an invitation to attend and participate in both such meetings, shall be given by the President of the Club to the members of the Club not less than fourteen (14) days prior to each such meeting. Members of the Club shall be permitted to participate in any discussion of a Proposed Change at either such meeting.

(c) A meeting of the Board of Directors of the Foundation shall be held within forty-five (45) days following delivery of the proposal to the Chairman of the Foundation. Notice that a vote on the Proposed Change shall be held at such meeting shall be given by the Chairman of the Foundation not less than fourteen (14) days prior to such meeting. Any Proposed Change shall require the affirmative vote of not less than two-thirds (2/3) of all members of the Board of Directors of the Foundation attending such meeting.

(d) A meeting of the members of the Foundation shall be held within forty-five (45) days following delivery of the proposal to the President of the Club. Notice that a vote on the Proposed Change shall be held at such meeting shall be given by the President of the Club not less than fourteen (14) days prior to such meeting. Any Proposed Change shall require the affirmative vote of not less than two-thirds (2/3) of all members of the Foundation attending such meeting.

(e) In no event shall the Spending Policy be amended, modified, or terminated, and no special distribution shall be made, if the effect of any such

PHILANTHROPIC ACTIVITIES

action would adversely affect the tax status of the Foundation. The Foundation Board of Directors may, at its option, require an opinion of tax counsel as a condition to the adoption of any such amendment, modification, or termination or the disbursement of such special distribution.

9.3 The Spending Policy shall provide that all distributions of funds of the Foundation will be subject to the ultimate control of the Board of Directors of the Foundation. No distribution of Foundation funds shall be authorized except as approved by the Board of Directors of the Foundation. The Spending Policy shall provide procedures under which the Club may request disbursements of Foundation funds in support of the Club's philanthropic activities, but in all circumstances, the final decision regarding all such distributions shall be made by the Foundation. No distribution shall be made if the effect of such distribution would be to adversely affect the tax status of the Foundation.
